Tillamook County Transportation District Budget Message FY 2025-2026

Introduction

The Tillamook County Transportation District is committed to continued coordination and collaboration with local and regional partners to fulfill its mission. TCTD partners with the County of Tillamook, Tillamook Bay Community College, Marie Mills Center, Inc., CARE, Inc., and others, and supports local communities in the development of their transportation system plans. This past year TCTD enhanced its partnership and involvement with the Oregon Department of Transportation (ODOT) and the Oregon Transit Association (OTA) and continues to partner with and support the Northwest Oregon Transit Alliance (NWOTA) members. Finally, the District partners with Care Oregon and the Columbia Pacific Community Care Organization to ensure Tillamook County residents have non-emergency medical transportation to medical services throughout NW Oregon.

TCTD's proposed FY 2025-26 Budget includes grant funding to update the District's Transit Development Plan (long range plan) and to begin implementing the recently approved FY 2025-2027 Statewide Transportation Improvement Fund (STIF) Plan. Below are other highlights the TCTD plans to accomplish in the FY 2025-2026 budget year:

- Bus Stop Infrastructure Improvements in Garibaldi – courtesy FY 2025-2027 STIF Discretionary award
- NW Connector Bus Stop Access Improvement Project – Pacific City, Hebo, Waldport (NWOTA)
- Strategic Planning Effort with Board of Directors
- Operational Performance MIS Update
- On-Board Rider Survey (will support Transit Development Plan update)
- Delivery of eight (8) to ten (10) new transit vehicles depending on production schedules (DAR and Cat. B)

Budget Overview

The TCTD FY 2025-26 Budget totals \$21,028,007.00. It is comprised of the resources and requirements of the following funds: 1) General Fund; 2) Property Management; 3) Capital Reserve; 4) Vehicle Purchase Reserve; 5) Bus Wash Maintenance Reserve; 6) Special Transportation Fund (this fund merged with the STIF Fund in 2022 and will be discontinued in 2024); 7) Northwest Oregon Transit Alliance; 8) NW Rides Brokerage; and 9) STIF Program Fund (to include STIF Formula, Discretionary, Intercommunity Discretionary and STF). The District's assigned funds are designed to achieve transparency by providing a tool to assist the District as it pursues its current and future operational goals.

General Fund

The General Fund is used to account for the District's administration and operational fiscal activities except those activities required to be accounted for in another fund. The General Fund Requirements were categorized by Organizational Units in FY 2014-15 to increase transparency and aid in a better understanding of the budget document. The Organizational Units are TCTD Administration, TCTD Operations, and TCTD Maintenance. Expenses not allocated to Organization Units have been included in the Unallocated Requirements listed on page 5B. These include grant funded projects, capital purchases, transfers made to other funds, the contingency, and unappropriated ending fund balance.

The proposed General Fund FY 2025-26 Budget resources total \$10,024,707.00 and reflects the necessary resources to administer the District's administrative and operational functions. The requirements of the General Fund are as follows: Department 001: Administrative budget is \$1,008,817.00; Department 002: Operations budget is \$2,411,671.00; Department 003: Maintenance budget is \$903,164.00 and Department 000: Unallocated is \$5,232,201.00.

In March 2024, TCTD and the Amalgamated Transit Union (ATU) successfully negotiated a new 5-year Collective Bargaining Agreement (CBA) that allowed the District to plan for reasonable increased labor costs. The current CBA expires on June 30, 2028. The District's operations and maintenance budgets reflect higher driver and dispatcher wages, and a healthcare insurance premium increase of 6% for this next fiscal year. There is an estimated 15-20% increase in casualty and loss insurance premiums. Workers' compensation is estimated to be flat with no increase. Payroll liability includes a 1% of gross wages contribution to the Paid Leave Act of Oregon benefit. The District received an FTA 5311 COVID Recovery grant in FY 2023-2024 to assist with the cost of wages and operations.

This next year TCTD will use grant funding for the capital purchase of six (6) buses and two (2) dial-a-ride vans.

Property Management Fund

The Property Management Fund is an Enterprise Fund created in 2002 by the Board of Directors to manage the lease income, operating expenses, and debt service for the real property located at 3600 Third Street in Tillamook, Oregon. In 2022, the Board reviewed and reauthorized this fund. This Fund's FY 2025-26 budget is \$288,789.

CareOregon contracts with TCTD to operate the NW Rides Medicaid non-emergency medical transportation (NEMT) brokerage. The NW Rides Brokerage began occupying Suite C in May 2025. They will contribute \$10,800 annually to the Property Management Fund for its portion of the building operating expenses and approximately \$25,200 in rental income for FY 2025-26.

Capital Reserve Fund

The Capital Reserve Fund was formed in 2004 by the Board of Directors and represents the District's commitment to having a "rainy day" fund for emergencies and to provide matching money for future capital projects. This fund's FY 2025-26 beginning balance is \$1,063,999.00. Over the next year the fund is projected to earn \$35,000 in interest and use an estimated \$304,686 in grant match funds, plus \$125,000 to the Property Management Fund for building gutters and HVAC improvements. The addition of the earned interest and transfer will result in the Capital Reserve Fund ending the next fiscal year with a balance of \$669,313.

Vehicle Purchase Reserve Fund

The Vehicle Purchase Reserve Fund was established by the Board of Directors in 2012 to track monies received from the sale of vehicles to be used towards the purchase of replacement vehicles. In 2022, the TCTD Board of Directors reviewed the fund and authorized continuation of this fund. This Fund's FY 2025-26 budget is \$47,225 that will result from the sale of surplus vehicles. This money can be used as a local match for vehicle purchases.

Bus Wash Maintenance Reserve Fund

The Bus Wash Maintenance Reserve Fund was created by the Board of Directors to set aside \$35,000 to pay for short and long-term maintenance of the bus washing facility in lieu of purchasing a maintenance contract. The District Board of Directors reviewed and approved this fund for continuance in 2017. This Fund's FY 2025-26 budget is \$23,140.

Special Transportation Fund

The Special Transportation Fund (STF) was created by the Board of Directors in 2014 to meet the STF accounting requirements specified by Oregon Administrative Rule to receive and disburse Special Transportation Fund and State Transportation Operating (STO) monies in a separate governmental fund. This Fund merged with the STIF and ended in 2024.

Northwest Oregon Transit Alliance Fund

The Northwest Oregon Transit Alliance (NWOTA) Fund was established in 2013 to receive and disperse resources associated with the partnership of the following five transit agencies: Tillamook County Transportation District, Lincoln County Transit, Sunset Empire Transportation District, Columbia County Rider, and Benton Area Transit. TCTD is the designated NWOTA Fiscal Agent and is responsible for accounting for the partner contributions and grants. The FY 2025-2026 NWOTA Budget is \$1,549,977.00. NWOTA resources will be directed to partners' marketing activities and the NW Connector website. This Fund has a major capital project for bus stop access improvements which accounts for \$1,115,467.00 in grants.

NW Rides Fund

The NW Rides Fund was established by the TCTD Board of Directors in July 2018 to manage and account for the Medicaid non-emergency medical transportation brokerage financial transactions. The NW Rides brokerage coordinates non-emergency medical transportation throughout Tillamook, Clatsop, and Columbia counties. The planned FY 2025-26 budget is \$6,448,000.00 to fund the Brokerage's call center operations and purchased transportation from the various transportation providers throughout the three-county region.

STIF Fund

In 2017 the Oregon Legislature established the Statewide Transportation Improvement Fund (STIF) to expand public transportation services throughout Oregon. STIF Formula Funds are distributed to Qualified Entities (QE) based on payroll taxes collected from employees within their respective jurisdictional boundaries. TCTD is the designated Qualified Entity for Tillamook County that must allocate and account for these funds. The TCTD Board of Directors established the STIF Fund in 2019 to receive and transfer monies from the STIF Formula, STIF Intercommunity and STIF Discretionary programs. The FY 2025-26 beginning balance is \$744,950.00 and expects to receive \$807,421.00 in STIF Formula, Intercommunity, and Discretionary monies. The STIF Formula monies will be used to fund continuation of service enhancements in the new TCTD STIF FY 2025-27 Plan. TCTD plans to transfer \$837,148.00 to the General Fund to purchase buses, fund operations, fund the low-income bus pass programs, and use as local matching funds for the purchase of buses and vans.

The Fund will receive \$29,727 in STIF monies in FY 2025-2026 to support transportation operations for the Marie Mills Center Inc. and CARE and to support public transportation services.

In January 2025, the TCTD Board of Directors approved the FY 2025-2027 STIF Plan. TCTD has been focused on implementing these service improvements and has successfully purchased buses and vans as outlined in the Plan. The approved service improvement priorities include carrying forward projects funded in the previous FY 2023-2025 STIF Plan. The FY 2025-2027 service improvement projects include:

- 1) Continuation of service to the Port of Tillamook Bay (POTB). This service began on 9/1/2021.
- 2) Continuation of evening service on the Tillamook Town Loop. This service began on 9/1/2021.
- 3) Continuation of the expanded dial-a-ride services. This service began on 7/1/2021.
- 4) Continuation of the addition to Route 5 (Tillamook to Portland) from two trips per day to three trips. This service began a third Route 5 trip on January 22, 2023, but temporarily discontinued the early AM roundtrip in May 2024.
- 5) Continuation of the Fare Reduction Program that reduced fares to youth under 18 years of age.

Conclusion

TCTD's mission, "*Connecting the community through sustainable transit services*," continues to be a high priority to the District. Accomplishing this mission requires TCTD to not only provide effective and efficient transportation services to the community, but also to focus available resources toward services that generate the highest return on investments, which is important for the District to compete for statewide ODOT competitive grants. TCTD also promotes a customer service-oriented culture throughout the organization through its comprehensive driver and customer service training programs.

This proposed Tillamook County Transportation District FY 2025-2026 budget represents the results of a significant effort by our management team. I am very proud of the level of internal coordination that was conducted and believe that this budget accurately reflects what we believe are our projected resources and we have identified a conservative plan for how those revenues will be expensed.

We intend to respond to any grant opportunities that become available, and if successful, these new funds will lessen the burden on our other resources. If necessary, we will amend the approved FY 2025-2026 budget to accommodate these revisions. We at the District look forward to this next fiscal year, to building new relationships and enhancing our existing partnerships, and to fulfilling our mission to connect the community and provide needed transportation options to Tillamook County and beyond.

Respectfully Submitted,

Brian Vitulli,
General Manager/Budget Officer

Tillamook County Transportation District

18. Resolution 25-10 Authorizing the General Manager to Enter Into an Intergovernmental Agreement with the County of Tillamook for 2025 Pacific City Shuttle Services

Vice Chair Adler asked the cost to run the Pacific Shuttle service. GM Vitulli stated in 2023 it was \$90 an hour, when it operated Friday, Saturday and Sunday, with two drivers and 30-minute frequency. In the 2025 season, we will be operating every 60 minutes on Saturdays and Sundays and on Memorial, Independence, and Labor Days. Vice Chair Adler asked if it was more feasible to reinstate Sunday service rather than the Pacific Shuttle Service. GM Vitulli stated that we currently do not have enough drivers to reinstate Sunday service. The District continues to collaborate with the Pacific City/Woods Parking Advisory Committee with parking and congestion management solutions for those communities.

Director McCall asked if the holidays are included in the cost for Saturday and Sunday. GM Vitulli stated yes. Director McCall asked when the new dialysis center opens, will that allow more drivers to do other service. OS Reed said it would allow for more Dial-A-Ride and demand response capacity but still would not allow for the reinstatement of in-County Sunday service.

Vice Chair Adler asked about the cost of reimbursement for riding the District service. GM Vitulli stated that the District would be reimbursed \$1.00 for each NCE ticket holder who transfers to the TCTD system. Vice Chair Adler asked if it was the same amount if they use the Route 4 service. OS Reed stated that it would cost \$15 to ride the Route 5 service to Portland. Vice Chair Adler stated to amend the Memorandum of Understanding between TCTD and the Oregon Coast Visitors Association regarding the North Coast Express, section 5.B.3 to state the standard fare of whatever service is used, as opposed to the standard fare of \$1.00.

Chair Johnson asked if North Coast Express was going to be servicing the District's stops. GM Vitulli stated the Tillamook Creamery would be the only one.

Chair Johnston asked if this would impact the District's federal funding. GM Vitulli stated that he didn't think it would have a significant impact. It is hoped that the District will attract new customers as they can ride Route 5 from Portland instead. Director Devlin said the route 5 service can be used for day trippers.

Motion by Vice Chair Adler to Approve Resolution 25-12 Authorizing the General Manager to Enter into a Memorandum of Understanding with the Oregon Coast Visitors Association Regarding the North Coast Express. Seconded by Director McCall.

- Reimbursement of expenses
- Honorarium
- Unsolicited awards for professional achievement
- Some gifts

For the purpose of this policy, pursuant to ORS 198.190, official compensation for elected members of the District's Board of Directors is limited to \$50 for each day or portion thereof on which they are performing services as a member of the governing body. This includes direct financial remuneration as well as benefits with monetary value such as food, beverages, or other related items, which the District may provide as part of any public meeting, team building activity, or social reception. (For further information regarding District-provided food and beverage, see Oregon Government Ethics Commission Advisory Opinion 25-126A dated May 9, 2025.)

Gifts

No public official shall solicit or receive any gift(s) with a total value of more than \$50 in a calendar year from any single source who could reasonably be known to have a financial interest in the official actions of that public official. A gift is defined as something of value given to a public official, for which the official does not pay an equal value. Gifts of entertainment are included in the \$50 gift limit.

This does not mean that an official cannot receive any gifts. The law only restricts gifts from sources that have an administrative or legislative interest in the public official's actions, and does allow the public official to receive up to \$50 worth of gifts from each source in a calendar year. The law does not limit gifts from relatives or members of the household of a public official.

Conflict of Interest

Oregon Government Ethics law identifies and defines two types of conflicts of interest: actual conflict of interest and potential conflict of interest. The difference between an actual conflict of interest and a potential conflict of interest is determined by the words "would" and "could". For example:

1. A public official is met with an **actual** conflict of interest when the public official participates in action that **would** affect the financial interest of the official, the official's relative or a business with which the official or a relative of the official is associated.
2. A public official is met with a **potential** conflict of interest when the public official participates in action that **could** affect the financial interest of the official, a relative of that official or a business with which the official or the relative of that official is associated.

A public official must announce or disclose the nature of any conflict of interest prior to taking any action on the matter. The public official's ability to participate in the decision is dependent on the type of conflict declared:

- Potential Conflict of Interest: Following the public announcement, the public official may participate in official action on the issue that gave rise to the conflict of interest.
- Actual Conflict of Interest: Following the public announcement, the public official must refrain from further participation in official action on the issue that gave rise to the conflict of interest.

If a public official is met with an actual conflict of interest and the public official's vote is necessary to meet the minimum number of votes required for official action, the public official may vote. The public official must make the required announcement and refrain from any discussion, but may participate in the vote required for official action by the governing body. These circumstances do not often occur. This provision does not apply in situations where there are insufficient votes because of a member's absence when the governing body is convened. Rather, it applies in circumstances when all members

of the governing body are present and the number of members who must refrain due to actual conflicts of interest make it impossible for the governing body to take official action.

Public officials seeking guidance related to this Policy may contact the General Manager or the Oregon Government Ethics Commission.

- iii. Recipient shall provide State with documentation of compliance with ODOT's STIF Agreed Upon Procedures (AUP) for audits. Documentation of compliance with ODOT's STIF AUP for audits is due 30 days after the Recipient's receipt of the auditor's final report of the Recipient's annual audit, or by a date established by rule, each year this agreement is in effect.

This Section 9 shall survive any expiration or termination of this Agreement.

10. Recipient Contracts and Procurements

Recipient may enter into contracts with subrecipients or contractors ("contractor") for performance of the Project. If Recipient enters into a contract, Recipient agrees to comply with the following:

a. Contracts.

- i. All contracts must be in writing, executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the contract(s). Use of a contract does not relieve Recipient of its responsibilities under this Agreement.
- ii. Recipient shall require all of its contractors performing work under this Agreement to name State as a third-party beneficiary of Recipient's contract with the contractor.
- iii. Recipient shall require its construction contractor to submit a performance bond and payment bond to Recipient for an amount equal to or greater than the estimated cost of the construction contract price. Recipient shall require its construction contractor to name State as an additional or dual obligee on construction contractors' performance and payment bonds.

b. Contract Indemnification.

- i. **Recipient's contracts(s) shall require the other party to such contract(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon, the Oregon Transportation Commission, and the Oregon Department of Transportation and their officers, members, employees and agents from and against any and all claims, actions, liabilities, damages, losses, cost or expenses, including attorneys' fees, of any nature whatsoever resulting from arising out of or related to, in whole or in part, the negligent or willful acts or omissions of the other party to Recipient's contract or any of such**

party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's contract(s) from and against any and all Claims.

- ii. **Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Contractor"), nor any attorney engaged by Recipient's contractor(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's contractor is prohibited from defending State or that Recipient's contractor is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's contractor if the State of Oregon elects to assume its own defense.**
- iii. Recipient shall include provisions in each of its contracts requiring its contractor(s) to comply with the indemnification requirements within this Contract Indemnification section.

c. Contractor Insurance.

- i. Recipient shall require its contractors(s) to meet the minimum insurance requirements provided in Exhibit C. Recipient shall perform a risk assessment for the work to be performed under its contract(s) and may specify insurance requirements of its contractor(s) above the minimum insurance requirements specified in Exhibit C. Recipient shall verify its contractor(s) meet the insurance requirements in Exhibit C.
 - ii. Recipient shall require its contractor(s) to require and verify that all subcontractors carry insurance coverage deemed appropriate based on the risk of the subcontracted work.
 - iii. Recipient shall include provisions in each of its contrast requiring its contractor(s) to comply with the insurance requirements within this Contract Insurance section.
- d. Procurements.** Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, including all applicable provisions of the Oregon Public Contracting Code, Oregon Revised Statutes (ORS) 279 A, B and C, and rules, ensuring that all procurement transactions are conducted in a manner providing full and open competition. In addition, the Recipient shall:
- i. obtain approval from State, prior to solicitation, of any procurements for rolling stock, facilities and personal services for any amount, and all procurements for an amount greater than \$100,000.
- e. Conflicts of Interest.** Recipient's public officials shall comply with Oregon's government ethics laws, ORS 244.010 et seq., as those laws may be subsequently amended.

11. Termination and Additional Remedies

- a. Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, under any of the following circumstances:
 - i. If Recipient fails to perform the Project within the time specified in this Agreement or any extension thereof or commencement, continuation or timely completion of the Project by Recipient is, for any reason, rendered improbable, impossible, or illegal;
 - ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative

- discretion, to continue to make payments for performance of this Agreement;
- iii. If Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement;
 - iv. If the Project would not produce results commensurate with the further expenditure of Grant Funds;
 - v. If Recipient has failed to comply with: (a) any provision of this Agreement, (b) Recipient's STIF plan, (c) STIF program administrative rules (OAR chapter 732, divisions 40 and 42) or (d) STIF statutes (ORS 184.751-184.766); or
 - vi. If Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Additional Remedies Available to the State.** If Recipient has failed to comply with any provision of this Agreement, Recipient's STIF plan, STIF program administrative rules (OAR chapter 732, divisions 40 and 42) or STIF statutes (ORS 184.751-184.766) or takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State, then State may, in its sole discretion, impose remedies in addition to or in lieu of termination under Section 10.a.(v) and 10.a.(vi) above. Such remedies include, without limitation, (i) imposing additional reporting requirements on Recipient; (ii) withholding further distribution of Grant Funds; and (iii) the partial or full recovery of Grant Funds already distributed to Recipient.
- c. **Termination by Recipient.** Recipient may terminate this Agreement effective upon delivery of written notice of termination to State, or at such later date as may be established by Recipient in such written notice:
- i. Upon notification to State of its desire to withdraw from eligibility to receive the Grant Funds and providing to State a reason acceptable to State for the withdrawal; or
 - ii. If federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- d. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten (10) days' notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

12. General Provisions

- a. **Contribution.** For purposes of this Section 12.a., the term "State" means "the State of Oregon, the Oregon Transportation Commission, the Oregon Department of Transportation, and their respective officers, members, agents, and employees."
- i. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.
 - ii. With respect to a Third Party Claim for which State is jointly liable with Recipient (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the State on the

one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.

- iii. With respect to a Third Party Claim for which Recipient is jointly liable with State (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.
- iv. This Contribution Section shall survive termination of this Agreement.
- b. **Insurance; Workers' Compensation and Employer's Liability.** All employers, including Recipient, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide Workers' Compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). The coverage shall include Employer's Liability insurance with limits not less than \$500,000 each accident. Recipient shall ensure that each of its contractor(s) complies with these requirements.
- c. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- d. **No Third-Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the state of Oregon and that are acceptable to the Recipient. Recipient shall not authorize work to begin under contracts until the insurance is in full force. Thereafter, Recipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Recipient shall incorporate appropriate provisions in the contract permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall Recipient permit work under a contract when Recipient is aware that the contractor is not in compliance with the insurance requirements. All references to "contractor" in this Exhibit refer to Recipient's contractor(s) as identified in this Paragraph 1.a.
- b. The insurance specified below is a minimum requirement that the Recipient shall require each of its contractors to meet, and shall include such requirement in each of Recipient's contracts with its contractors. Recipient may determine insurance types and amounts in excess of the minimum requirement as deemed appropriate based on the risks of the work outlined within the contract.
- c. Recipient shall require each of its contractors to require that all of its subcontractors carry insurance coverage that the contractor deems appropriate based on the risks of the subcontracted work. Recipient's contractors shall obtain proof of the required insurance coverages, as applicable, from any subcontractor providing services related to the subcontractor contract(s).

2. TYPES AND AMOUNTS.

- a. **WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY.**
All employers, including Recipient's contractors, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide Workers' Compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). The coverage shall include Employer's Liability insurance with limits not less than \$500,000 each accident. **Recipient's contractors shall require compliance with these requirements in each of their subcontractor contracts.**

This PERSONAL SERVICES AGREEMENT (this “Agreement”) is made and entered into by and between the **Tillamook County Transportation District** (the “District”), an Oregon transportation district, and Kittelson & Associates, Inc. (“Contractor”).

RECITALS

A. The District is in need of personal services for review of District’s cost allocation model, and Contractor represents that it is qualified and prepared to provide such services.

B. The purpose of this Agreement is to establish the services to be provided by Contractor and the compensation and terms for such services.

AGREEMENT

1. Engagement. The District hereby engages Contractor to provide services (“Services”) related for review of District’s cost allocation model, and Contractor accepts such engagement. The principal contact for Contractor shall be Susan Wright, Senior Principal Engineer, phone 503-535-7432.

2. Scope of Work. The duties and responsibilities of Contractor, including a schedule of performance, shall be as described in Attachment A attached hereto and incorporated herein by reference.

3. Term. Subject to the termination provisions of Section 10 of this Agreement, this Agreement shall commence once executed by both parties and shall terminate on August 31, 2025. The District reserves the exclusive right to extend the contract for a period of two (2) years in one (1) year increments. Such extensions shall be in writing with terms acceptable to both parties. Any increase in compensation for the extended term shall be as agreed to by the parties but shall not exceed five percent (5%) of the then-current fees.

4. Compensation. The terms of compensation for the initial term shall be as provided in Attachment C.

5. Payment.

5.1 The District agrees to pay Contractor for and in consideration of the faithful performance of the Services, and Contractor agrees to accept from the District as and for compensation for the faithful performance of the Services, the fees outlined in Attachment C, except that the hourly fee shall include all local travel, local telephone expense, computer expense, and routine document copying. Reimbursable expenses shall be billed at cost without markup and shall include travel and related expenses in compliance with the District’s travel and expense policy, reproduction of documents or reports with prior written approval, and long-distance telephone expenses. Contractor’s cost for approved sub-consultants may be

marked up a maximum of five percent (5%) by Contractor for management and handling expenses.

5.2 Contractor shall make and keep reasonable records of work performed pursuant to this Agreement and shall provide detailed monthly billings to the District. Following approval by the District Administrator, billings shall be paid in full within thirty (30) days of receipt thereof. The District shall notify Contractor of any disputed amount within fifteen (15) days from receipt of the invoice, give reasons for the objection, and promptly pay the undisputed amount. Disputed amounts may be withheld without penalty or interest pending resolution of the dispute.

5.3 The District may suspend or withhold payments if Contractor fails to comply with any requirement of this Agreement.

5.4 Contractor is engaged by the District as an independent contractor in accordance with the standards prescribed in ORS 670.600. Contractor shall not be entitled to any benefits that are provided by the District to District employees.

5.5 Any provision of this Agreement that is held by a court to create an obligation that violates the debt limitation provision of Article XI, Section 9 of the Oregon Constitution shall be void. The District's obligation to make payments under this Agreement is conditioned upon appropriation of funds.

6. Document Ownership. Contractor shall retain all common law, statutory and other reserved rights, including copyrights, in all work products, including, but not limited to, documents, drawings, papers, computer programs and photographs, performed or produced by Contractor for the benefit of the District under this Agreement, except that all copies of such plans, designs, calculations and other documents and renditions provided to District shall become the property of District who may use them without Contractor's further permission for any lawful purpose related to the project. Upon execution of this agreement, Contractor grants to District an irrevocable, nonexclusive license to use Contractor's work products created through its services for the project. The license granted under this section permits District to authorize its contractors, subcontractors of any tier, consultants, subconsultants of any tier, and material or equipment suppliers, to reproduce applicable portions of the work products in performing services for the project. Any unauthorized use of Contractor's work product for purposes unrelated to the project shall be at District's sole risk and without liability to Contractor.

9. Insurance.

9.1 At all times during the term of this Agreement, Contractor shall carry, maintain and keep in full force and effect a policy or policies of insurance as specified in Attachment B attached hereto and incorporated herein by reference.

9.2 All insurance policies shall provide that the insurance coverage shall not be canceled or reduced by the insurance carrier without thirty (30) days' prior written notice to the District. Contractor agrees that it will not cancel or reduce said insurance coverage without the written permission of District.

9.3 Contractor agrees that if it does not keep the aforesaid insurance in full force and effect, the District may either immediately terminate this Agreement or, if insurance is available at a reasonable cost, the District may take out the necessary insurance and pay, at Contractor's expense, the premium thereon. If the District procures such insurance, the District may charge the cost against any moneys due Contractor hereunder or for any other contract.

9.4 At all times during the term of this Agreement, Contractor shall maintain on file with the District a Certificate of Insurance or a copy of actual policies acceptable to the District showing that the aforesaid policies are in effect in the required coverages. The policies shall contain an endorsement naming the District, its council members, officers, employees and agents, as additional insureds (except for the professional liability and workers' compensation insurance).

9.5 The insurance provided by Contractor shall be primary to any coverage available to the District. The insurance policies (other than workers' compensation) shall include provisions for waiver of subrogation. Contractor shall be responsible for any deductible amounts outlined in such policies.

10. Termination.

10.1 Termination for Cause. District may terminate this Agreement effective upon delivery of written notice to Contractor under any of the following conditions:

10.1.1 If District funding from federal, state, local, or other sources is not obtained and continued at levels sufficient to allow for the purchase of the indicated quantity of service. This Agreement may be modified to accommodate a reduction in funding.

10.1.2 If Federal or State regulations or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this Agreement.

10.1.3 If any license or certificate required by law or regulation to be held by Contractor, its subcontractors, agents, and employees to provide the services required by this Agreement is for any reason denied, suspended, revoked, or not renewed.

10.1.4 If Contractor becomes insolvent, if a voluntary or an involuntary petition in bankruptcy is filed by or against Contractor, if a receiver or trustee is appointed for Contractor, or if there is an assignment for the benefit of creditors of Contractor.

10.1.5 If Contractor is in breach of this Agreement, and such breach is not remedied as contemplated by Section 10.2 of the Agreement.

10.2 Breach of Agreement

10.2.1 Contractor shall remedy any breach of this Agreement within the shortest reasonable time after Contractor first has actual notice of the breach or District notifies Contractor of the breach, whichever is earlier. If Contractor fails to remedy a breach within three (3) working days of its actual notice or receipt of written notice from the District, District may terminate that part of the Agreement affected by the breach upon written notice to Contractor, may obtain substitute services in a reasonable manner, and may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement.

10.2.2 If the breach is material and Contractor fails to remedy the breach within three (3) working days of receipt of written notice from the District, District may declare Contractor in default, terminate this Agreement and pursue any remedy available for a default.

10.2.3 Pending a decision to terminate all or part of this Agreement, District unilaterally may order Contractor to suspend all or part of the services under this Agreement. If District terminates all or part of the Agreement pursuant to this Section 10.2, Contractor shall be entitled to compensation only for services rendered prior to the date of termination, but not for any services rendered after District ordered suspension of those services. If District suspends certain services under this Agreement and later orders Contractor to resume those services after determining Contractor was not at fault, Contractor shall be entitled to reasonable damages actually incurred, if any, as a result of the suspension.

10.2.4 In the event of termination of this Agreement due to the fault of the Contractor, District may immediately cease payment to Contractor, and when the breach is remedied, District may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement, along with any additional amounts for loss and damage caused to the District by the breach, and withhold such amounts from amounts owed by District to Contractor. If the amount due Contractor is insufficient to cover District's damages due to the breach, Contractor shall tender the balance to District upon demand.

10.3 Termination for Convenience. District may terminate all or part of this Agreement at any time for its own convenience by providing three (3) days written notice to Contractor. Upon termination under this paragraph, Contractor shall be entitled to compensation for all services properly rendered prior to the termination, including Contractor's and sub consultants reasonable costs actually incurred in closing out the Agreement. In no instance shall Contractor be entitled to overhead or profit on work not performed.

11. No Third-Party Rights. This Agreement shall not create any rights in or inure to the benefit of any parties other than the District and Contractor.

12. Modification. Any modification of the provisions of this Agreement shall be set forth in writing and signed by the parties.

13. Waiver. A waiver by a party of any breach by the other shall not be deemed to be a waiver of any subsequent breach. All waivers shall be done in writing.

14. Indemnification.

14.1 Liability of Contractor for Claims Other Than Professional Liability. For claims for other than professional liability, Contractor shall defend, save and hold harmless District, its officers, agents and employees from all damages, demands, claims, suits, or actions of whatsoever nature, including intentional acts, resulting from or arising out of the activities or omissions of Contractor, its subcontractors, sub-consultants, agents or employees under this Agreement. A claim for other than professional responsibility is a claim made against the District in which the District's alleged liability results from an act or omission by Contractor unrelated to the quality of professional services provided by Contractor.

14.2 Liability of Contractor for Claims for Professional Liability. For claims for professional liability, Contractor shall save, and hold harmless District, its officers, agents and employees, from all claims, suits, or actions arising out of the professional negligent acts, errors or omissions of Contractor, its subcontractors, sub-consultants, agents or employees in the performance of professional services under this Agreement. A claim for professional responsibility is a claim made against the District in which the District's alleged liability results directly from the quality of the professional services provided by Contractor, regardless of the type of claim made against the District.

14.3 Contractor and the officers, employees, agents and subcontractors of Contractor are not agents of the District, as those terms are used in ORS 30.265.

15. Governing Laws. This Agreement shall be governed by the laws of the State of Oregon.

16. Compliance with Law.

16.1 Contractor shall comply with all applicable federal, state and local statutes, ordinances, administrative rules, regulations and other legal requirements in performance of this Agreement.

16.2 Contractor shall pay promptly, as due, all persons supplying labor or materials for the prosecution of the services provided for in the Agreement and shall be responsible for such payment of all persons supplying such labor or material to any subcontractor.

16.3 Contractor shall promptly pay all contributions or amounts due the Industrial Accident Fund from such Contractor or subcontractor incurred in the performance of the Agreement.

16.4 Contractor shall not permit any lien or claim to be filed or prosecuted against the District or its property on account of any labor or material furnished and agrees to assume responsibility for satisfaction of any such lien or claim so filed or prosecuted.

16.5 Contractor and any subcontractor shall pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.617.

16.6 If Contractor fails, neglects or refuses to make prompt payment of any claim for labor or materials furnished to the Contractor or a subcontractor by any person in connection with the Agreement as such claim becomes due, the District may pay such claim to the persons furnishing the labor or material and charge the amount of payment against funds due or to become due Contractor by reason of the Agreement. The payment of a claim in the manner authorized hereby shall not relieve the Contractor from his/her or its obligation with respect to any unpaid claim. If the District is unable to determine the validity of any claim for labor or material furnished, the District may withhold from any current payment due Contractor an amount equal to said claim until its validity is determined and the claim, if valid, is paid.

16.7 If the Contractor fails, neglects or refuses to pay a person that provides labor or materials in connection with the Agreement within 30 days after receiving payment from the District, the Contractor owes the person the amount due plus interest charges that begin at the end of the 10-day period within which payment is due and that end upon final payment, unless payment is subject to a good faith dispute. The rate of interest on the amount due is nine percent per annum. The amount of interest may not be waived.

16.8 Contractor shall promptly, as due, make payment to any person,

copartnership, association, or corporation, furnishing medical, surgical and hospital care or other needed care and attention, incident to sickness or injury, to employees of such Contractor, of all sums which the Contractor agrees to pay for such services and all monies and sums which the Contractor collected or deducted from the wages of employees pursuant to any law, contract or agreement for the purpose of providing or paying for such service.

16.9 No person may not be employed for more than 10 hours in any one day, or 40 hours in any one week, except in cases of necessity, emergency or when the public policy absolutely requires it, and in such cases the Contractor shall pay the contractor's employees who work under the public contract at least time and a half for all overtime the employees work in excess of 40 hours in any one week, except for employees under a personal services public contract who are excluded under ORS 653.010 to 653.261 or under 29 U.S.C. 201 to 209 from receiving overtime.

16.10 The Contractor must give notice to employees who work on this Agreement in writing, either at the time of hire or before commencement of work on the Agreement, or by posting a notice in a location frequented by employees, of the number of hours per day and the days per week that the employees may be required to work.

16.11 All subject employers working under the Contractor are either employers that will comply with ORS 656.017, or employers that are exempt under ORS 656.126.

16.12 All sums due the State Unemployment Compensation Fund from the Contractor or any subcontractor in connection with the performance of the Agreement shall be promptly so paid.

16.13 Contractor certifies compliance with all applicable Oregon tax laws, in accordance with ORS 305.385.

16.15 The Contractor represents and warrants that Contractor (i) is not currently an employee of the federal government or the State of Oregon, and (ii) meets the specific independent contractor standards of ORS 670.600.

16.16 If Contractor is a foreign contractor as defined in ORS 279A.120, Contractor shall comply with that section and the District must satisfy itself that the requirements of ORS 279A.120 have been complied with by Contractor before District issues

final payment under this agreement.

16.18 Contractor shall not provide or offer to provide any appreciable pecuniary or material benefit to any officer or employee of District in connection with this Agreement in violation of ORS chapter 244.

16.19 Contractor shall ensure that any lawn and landscape maintenance, if applicable, shall contain a condition requiring the contractor to salvage, recycle, compost or mulch yard waste material at an approved site, if feasible and cost-effective.

20. Assignment. This Agreement shall not be assigned by Contractor without the express written consent of the District. Contractor shall not assign Contractor’s interest in this Agreement or enter into subcontracts for any part of the Services without the prior written consent of the District.

21. Mediation/Dispute Resolution

21.1 Should any dispute arise between the parties to this Agreement it is agreed that such dispute will be submitted to a mediator prior to any arbitration or litigation, and the parties hereby expressly agree that no claim or dispute arising under the terms of this Agreement shall be resolved other than first through mediation and, only in the event said mediation efforts fail, through litigation or binding arbitration. The parties shall exercise good faith efforts to select a mediator who shall be compensated equally by both parties. 9.2 All insurance policies shall provide that the insurance coverage shall not be canceled or reduced by the insurance carrier without thirty (30) days' prior written notice to the District. Contractor agrees that it will not cancel or reduce said insurance coverage without the written permission of District.

9.3 Contractor agrees that if it does not keep the aforesaid insurance in full force and effect, the District may either immediately terminate this Agreement or, if insurance is available at a reasonable cost, the District may take out the necessary insurance and pay, at Contractor's expense, the premium thereon. If the District procures such insurance, the District may charge the cost against any moneys due Contractor hereunder or for any other contract.

10.1 Termination for Cause. District may terminate this Agreement effective upon delivery of written notice to Contractor under any of the following conditions:

10.1.1 If District funding from federal, state, local, or other sources is not obtained and continued at levels sufficient to allow for the purchase of the indicated quantity of service. This Agreement may be modified to accommodate a reduction in funding.

10.1.2 If Federal or State regulations or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this Agreement.

10.1.3 If any license or certificate required by law or regulation to be held by Contractor, its subcontractors, agents, and employees to provide the services required by this Agreement is for any reason denied, suspended, revoked, or not renewed.

10.1.4 If Contractor becomes insolvent, if a voluntary or an involuntary petition in bankruptcy is filed by or against Contractor, if a receiver or trustee is appointed for Contractor, or if there is an assignment for the benefit of creditors of Contractor.

10.1.5 If Contractor is in breach of this Agreement, and such breach is not remedied as contemplated by Section 10.2 of the Agreement.

10.2 Breach of Agreement

10.2.1 Contractor shall remedy any breach of this Agreement within the shortest reasonable time after Contractor first has actual notice of the breach or District notifies Contractor of the breach, whichever is earlier. If Contractor fails to remedy a breach within three (3) working days of its actual notice or receipt of written notice from the District, District may terminate that part of the Agreement affected by the breach upon written notice to Contractor, may obtain substitute services in a reasonable manner, and may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement.

10.2.2 If the breach is material and Contractor fails to remedy the breach within three (3) working days of receipt of written notice from the District, District may declare Contractor in default, terminate this Agreement and pursue any remedy available for a default.

10.2.3 Pending a decision to terminate all or part of this Agreement, District unilaterally may order Contractor to suspend all or part of the services under this Agreement. If District terminates all or part of the Agreement pursuant to this Section 10.2, Contractor shall be entitled to compensation only for services rendered prior to the date of termination, but not for any services rendered after District ordered suspension of those services. If District suspends certain services under this Agreement and later orders Contractor to resume those services after determining Contractor was not at fault, Contractor shall be entitled to reasonable damages actually incurred, if any, as a result of the suspension.

10.2.4 In the event of termination of this Agreement due to the fault of the Contractor, District may immediately cease payment to Contractor, and when the breach is remedied, District may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement, along with any additional amounts for loss and damage caused to the District by the breach, and withhold such amounts from amounts owed by District to Contractor. If the amount due Contractor is insufficient to cover District's damages due to the breach, Contractor shall tender the balance to District upon demand.

10.3 Termination for Convenience. District may terminate all or part of this Agreement at any time for its own convenience by providing three (3) days written notice to Contractor. Upon termination under this paragraph, Contractor shall be entitled to compensation for all services properly rendered prior to the termination, including Contractor's and sub consultants reasonable costs actually incurred in closing out the Agreement. In no instance shall Contractor be entitled to overhead or profit on work not performed.

11. No Third-Party Rights. This Agreement shall not create any rights in or inure to the benefit of any parties other than the District and Contractor.

12. Modification. Any modification of the provisions of this Agreement shall be set forth in writing and signed by the parties.

13. Waiver. A waiver by a party of any breach by the other shall not be deemed to be a waiver of any subsequent breach. All waivers shall be done in writing.

14. Indemnification.

14.1 Liability of Contractor for Claims Other Than Professional Liability. For claims for other than professional liability, Contractor shall defend, save and hold harmless District, its officers, agents and employees from all damages, demands, claims, suits, or actions of whatsoever nature, including intentional acts, resulting from or arising out of the activities or omissions of Contractor, its subcontractors, sub-consultants, agents or employees under this Agreement. A claim for other than professional responsibility is a claim made against the District in which the District's alleged liability results from an act or omission by Contractor unrelated to the quality of professional services provided by Contractor.

14.2 Liability of Contractor for Claims for Professional Liability. For claims for professional liability, Contractor shall save, and hold harmless District, its officers, agents and employees, from all claims, suits, or actions arising out of the professional negligent acts, errors or omissions of Contractor, its subcontractors, sub-consultants, agents or employees in the performance of professional services under this Agreement. A claim for professional responsibility is a claim made against the District in which the District's alleged liability results directly from the quality of the professional services provided by Contractor, regardless of the type of claim made against the District.

14.3 Contractor and the officers, employees, agents and subcontractors of Contractor are not agents of the District, as those terms are used in ORS 30.265.

15. Governing Laws. This Agreement shall be governed by the laws of the State of Oregon.

16.6 If Contractor fails, neglects or refuses to make prompt payment of any claim for labor or materials furnished to the Contractor or a subcontractor by any person in connection with the Agreement as such claim becomes due, the District may pay such claim to the persons furnishing the labor or material and charge the amount of payment against funds due or to become due Contractor by reason of the Agreement. The payment of a claim in the manner authorized hereby shall not relieve the Contractor from his/her or its obligation with respect to any unpaid claim. If the District is unable to determine the validity of any claim for labor or material furnished, the District may withhold from any current payment due Contractor an amount equal to said claim until its validity is determined and the claim, if valid, is paid.

16.7 If the Contractor fails, neglects or refuses to pay a person that provides labor or materials in connection with the Agreement within 30 days after receiving payment from the District, the Contractor owes the person the amount due plus interest charges that begin at the end of the 10-day period within which payment is due and that end upon final payment, unless payment is subject to a good faith dispute. The rate of interest on the amount due is nine percent per annum. The amount of interest may not be waived.

16.8 Contractor shall promptly, as due, make payment to any person,

copartnership, association, or corporation, furnishing medical, surgical and hospital care or other needed care and attention, incident to sickness or injury, to employees of such Contractor, of all sums which the Contractor agrees to pay for such services and all monies and sums which the Contractor collected or deducted from the wages of employees pursuant to any law, contract or agreement for the purpose of providing or paying for such service.

16.9 No person may not be employed for more than 10 hours in any one day, or 40 hours in any one week, except in cases of necessity, emergency or when the public policy absolutely requires it, and in such cases the Contractor shall pay the contractor's employees who work under the public contract at least time and a half for all overtime the employees work in excess of 40 hours in any one week, except for employees under a personal services public contract who are excluded under ORS 653.010 to 653.261 or under 29 U.S.C. 201 to 209 from receiving overtime.

16.10 The Contractor must give notice to employees who work on this Agreement in writing, either at the time of hire or before commencement of work on the Agreement, or by posting a notice in a location frequented by employees, of the number of hours per day and the days per week that the employees may be required to work.

16.11 All subject employers working under the Contractor are either employers that will comply with ORS 656.017, or employers that are exempt under ORS 656.126.

16.18 Contractor shall not provide or offer to provide any appreciable pecuniary or material benefit to any officer or employee of District in connection with this Agreement in violation of ORS chapter 244.

16.19 Contractor shall ensure that any lawn and landscape maintenance, if applicable, shall contain a condition requiring the contractor to salvage, recycle, compost or mulch yard waste material at an approved site, if feasible and cost-effective.

15. Partnership. TCTD is not, by virtue of this Agreement, a partner or joint venturer with Contractor in connection with activities carried on under this Agreement, and shall have no obligation with respect to Contractor's debts or any other liabilities of each and every nature.
16. Insurance. 19. Non-Waiver. The failure of TCTD to enforce any provision of the Agreement shall not constitute a waiver by TCTD of that or any other provision of the Agreement.
20. Time of the Essence. The parties agree that time is of the essence in this Agreement.
21. Choice of Law. This Agreement shall be governed by the laws of the State of Oregon.

23. Severability. If any provision of this Agreement is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holdings shall not affect the validity of the remaining portions hereof.
24. Entire Agreement. THIS AGREEMENT (INCLUDING EXHIBIT A) CONSTITUTES THE ENTIRE AGREEMENT BETWEEN THE PARTIES. NO WAIVER, CONSENT, MODIFICATION OR CHANGE OR TERMS OF THIS AGREEMENT SHALL BIND EITHER PARTY UNLESS IN WRITING AND SIGNED BY BOTH PARTIES. SUCH WAIVER, CONSENT, MODIFICATION OR CHANGE, IF MADE, SHALL BE EFFECTIVE ONLY IN THE
